"Seeking knowledge is an obligation upon every Muslim." – ***Ibn Majah***

WELCOME

NURTURING FAITH, BUILDING CHARACTER, INSPIRING EXCELLENCE

A very warm welcome to the Qur'an School at Al-Baqir Centre.

Thank you for taking the time to learn more about our Madrasah. I am delighted to see that you are considering joining our school community, and we feel privileged to be a part of your child's Islamic journey.

At Al-Baqir Centre, we believe that every child has the potential to develop a beautiful relationship with the Qur'an. Our goal is not only to teach children how to recite the Qur'an correctly, but to help them grow in confidence, strengthen their faith, and develop the manners and character that our beloved Prophet Muhammad ﷺ taught us.

We know that every child learns differently, which is why we strive to create a welcoming, encouraging and supportive environment where each student feels valued and inspired to do their very best. Whether they are taking their first steps in learning the Arabic alphabet or growing in confidence with Qur'an recitation and Islamic Studies, we celebrate every achievement in their journey.

We also recognise that a child's success comes through a strong partnership between home and Madrasah. By working together with parents and carers, we hope to nurture children who not only love learning the Qur'an, but also carry its beautiful teachings into their everyday lives.

I hope this prospectus gives you a glimpse into who we are, what we value, and the care we put into every aspect of our Madrasah. We look forward to welcoming your children to Al-Baqir Centre and sharing many years of learning, growth and memorable moments.

May Allah Ta'ala bless our children with beneficial knowledge, righteous character and a lifelong love for His Noble Book. Ameen.

Ustadha Farkhanda,
